

February News

February is typically thought to be the month where we celebrate love and Valentine's Day. At Country Villa we celebrate and practice love every day! Hugs are common around here along with warm greetings and gentle care. We however do make a big deal out of Valentine's Day! All our lives we did activities associated with this holiday and we continue to keep those traditions alive. Cold weather and warm hearts.....yup, that's February!

Valentines Day is Wednesday February 14 and we have a special entertainer coming here to sing love songs for us. We are welcoming back **singer and guitarist Fernando Jiminez**. Fernando has been here before and his beautiful voice, great guitar playing and his sparkling personality make him a sure fit for our Valentine's Day entertainment. **He will be presenting an hour of love songs from 3:30-4:30.** This will replace our usual Friday happy hour that week. Why not make it a point to drop by with a Valentine for your loved one and stay for this special program. Family here makes everything better!

Valentine's Day is also all about sweets. We recognize that and have a pink **Valentine strawberry sundae social** planned. On **February 13 at 2:00** we will be eating those delicious sundaes and opening up a few valentines too. As always, we include family in this as well. Mmmmmmm.

We are happy to announce that our **Resident of the Month for February is Robert Dornlan - "Doc"**. Doc will have his picture and write-up about him posted on the big bulletin board by our front car port entrance. Copies will be given to all of our Residents and extra copies are always available on the white desk below the bulletin board. Help yourself to these and learn about our great Residents here at Country Villa.

February also brings the return of the **Winter Olympic Games**. Here at Country Villa we will not only be watching the games on TV, but we will be having our own Olympic games as well. We will be awarding Olympic medals to game winners and will have a special awards ceremony at our end of the month fun awards and raffle. Check out this month's activity calendar for those activities printed in blue. These are our Olympic games where medals will be awarded. Come join the fun!
